

## Family-Centered Care Quality Improvement Project Call Evaluation: Patient Advisory Panels

Thank you for attending the call, "Patient Advisory Panels"

Please help us assess our family-centered care project by completing this brief evaluation form. It should take no more than 10 minutes of your time. You will need the unique identification number provided to you in your orientation materials.

Your responses will be kept strictly confidential. We will never link your responses to your name in reports or anywhere else. The survey is voluntary and you may choose to end it at any time or not answer a question, for whatever reason.

If you have any questions please contact Pam Kelley, PhD at Kelley Analytics, (732) 742-8908 or [pkelley@KelleyAnalytics.com](mailto:pkelley@KelleyAnalytics.com).

In order to progress through this survey, please use the following navigation buttons:

- Click the Next button to continue to the next page.
- Click the Previous button to return to the previous page.
- Click the Done button to submit your survey.

**Family-Centered Care Quality Improvement Project Call Evaluation: Patient Advisory Panels**

1. Please enter your unique identification number:

### Part Two: Learning Objectives

*Instructions: For each item below, compare how you feel NOW that the call has ended with how you felt BEFORE the call by circling a number on each scale, where 0 is the lowest and 10 is the highest. (If you think your knowledge did not change, circle the same number for both.)*

6. NOW that the call has ended, how would you rate your level of knowledge about patient advisory panels?

- 0 (no knowledge)
- 1
- 2
- 3
- 4
- 5
- 6
- 7
- 8
- 9
- 10 (a great deal of knowledge)

7. Think back to how you felt BEFORE the call and rate your level of knowledge about patient advisory panels.

- 0 (no knowledge)
- 1
- 2
- 3
- 4
- 5
- 6
- 7
- 8
- 9
- 10 (a great deal of knowledge)

If you feel your knowledge level did not change, select the same number from above.

## Family-Centered Care Quality Improvement Project Call Evaluation: Patient Advisory Panels

8. Please rate the extent to which you feel you can do the following as a result of this call:

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
I can define patient advisory panels.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I can describe the benefits of patient advisory panels.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I can provide examples of how patient advisory panels can be used in pediatric practices	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
